Dear FCC:

Why?!? I thought only money hungry, undermined, slackers pulled this
kind've "@*&!?" on people who needed a break from all these expensive
,overpriced products. I have no use for these companies that charge
outlandish monthly payments for something I would only need for maybe one
or two calls a week. Now you (the FCC) want in on the simple guy trying
to get by... Thank a lot guys...It's bad enough my area is having
diffaculty getting antennas for reception in hard to recieve areas due to
an "act 250" law.Talk about being in a rock in a hard place...

Thank you for your prompt attention to this matter. Please provide a
written response indicating the status/resolution of this matter.

Very truly yours,
